## This Week Is Family Week & Fire Prevention Week!

### Student of the Month

Our super grade 2 class has been working hard this past week!

In Math we continue to explore numbers to 100 and are starting place value.

In Language Arts students are all able to sustain stamina during our Daily Five!

Students are learning about the changes around them in, You and Your World. We will be getting some classroom pets soon to observe a life cycle up close.

Congratulations to Julia for being our grade 2 student of the month! Julia is always helpful and ready to learn. She fills up many buckets in our classroom with her kindness and caring. Great work Julia!
